**THE RALLY:** will be a low-pressure, timed drive on public roads starting and ending in Westchester County. Drivers and navigators will be asked to precisely follow directions given right before the start. Entrants should have a light for reading route instructions, a watch, and something to write on such as a clipboard. No auxiliary lights above headlight level will be needed or allowed. (Note that NYS law prohibits such lights.) No hand-held spotlights, please. No alcoholic beverages allowed before or during the rally. More than two people in a car will be penalized and no driver-only cars will be allowed. This is not a race; cars completing the course too early will be penalized.
